

## **Skating Coach – Waldorf, MD**

**Job Title:** Coach (Homeschool and Learn to Skate)

**Job Description:** The Figure Skating Club of Southern Maryland (FSCSM) is located in Waldorf, MD, and serves the figure skating community in southern Maryland and the surrounding areas. The club hosts year-round LTS classes and a growing on- and off-ice FSCSM Skating Academy. Annually, the club hosts two ice shows and is home to Synchro and Theatre on Ice (TOI) teams. FSCSM seeks skilled and dedicated individuals to join their coaching team, where coaches play a crucial role in growing programs and providing quality instruction to skaters. The ideal candidates must have excellent communication skills, be experienced with the LTSUSA curriculum, and enjoy working in a strong team atmosphere to develop recreational and competitive freestyle skaters from beginners to advanced levels. Experience with Synchro or TOI is a plus, and the willingness and ability to mentor junior coaching staff is an added benefit.

In particular, FSCSM is looking to support and build our homeschool skating program, a unique opportunity for candidates to make a significant impact. Candidates should have weekday coaching availability and previous experience working with children in a sports or educational setting. Familiarity with homeschooling students' unique needs and learning styles can be beneficial.

### **Job Benefits:**

- Coaches will receive a uniform shirt/jacket from the club.
- Coaches will receive pay commensurate with skill level, determined by the FSCSM Club, and will sign a yearly contract.
- Coaches will have the opportunity to attend any Club-hosted coaching seminars and training sessions.
- Coaches may teach private lessons, provided they have the required coaching insurance and certifications.

**Contact:** For more information or to submit your resume, please contact Skating Director Kaylynn Boswell at [skatingdirector@fscsm.org](mailto:skatingdirector@fscsm.org).
